THE YEAR 2121 THE AWAKENING

4th Book Lilith, Chorus 1:

**He makes you blind
You'll never see the truth
No paradise
Is there awaiting you
All hail Messiah!**

It is the year 2121 (after the false lord's birth). Survivors of the calamities of the past century see a ray of new hope.

The predictions of the prophets and the desire of all the peoples after the end of unit 759 as well as the downfall of C.R.O.W. have finally been fulfilled.

The Messiah has returned to finally guide them into sacred lands.

Accompanied by his prophets Rayzon, Zach Volcanic and Smoky 616 the savior roams the lands together with his community in faith, the **Wasteland Clan**, to rally more follower and allies.

And also Lilith, the fallen demoness, has finally awoken and joins the clan. She spreads her ironclad wings around the world. Akin to a siren with her captivating voice she lures her followers from all corners of the lands.

Henceforth they as a collective heed their quest to fulfill the prophecy and to deliver their message to the remaining disillusioned people of the world and to bestow the spark of hope upon them.

Renounce the old gods and join the **Wasteland Clan**.

LILITH FOX

The voice of the fallen demoness Lilith Fox is pairing the sounds of the cries of an apocalyptic angel of retribution and the piercing chimes of a bell giving notice to sinister occasions.

Having returned to earth, reincarnated in mortal flesh she now is the voice of the **Wasteland Clan** and spreads its message, its warnings as well as its words of hope. She unites and evil, light and shadow, arises as the unifier of the antithesis.

Wise, strong and gracious – protected by a coat of mail, elevated by ironclad wings – she now stands at the frontier to bewilder her beholders to bind their hearts and their souls to the clan.

MASHL J.

As the Wasteland-Messiah he now finds his true meaning:

After the calamities and wars of decades past and the downfall of C.R.O.W., where he as a priest minded his comrades souls' salvation, Mashl J. seeked for a new quest, for something that has a deeper meaning in his life.

Finally, it came to him in a vision. He shall lead the last survivors to the promised lands. So he set forth and gave life to the **Wasteland Clan** and accompanied by his three prophets and the demoness Lilith he now follows to the divine prophecy.

On his head he bears a crown of thorns, on his back he wears the crossed swords.

SAVIOR OF THE BADLANDS

RAYZON

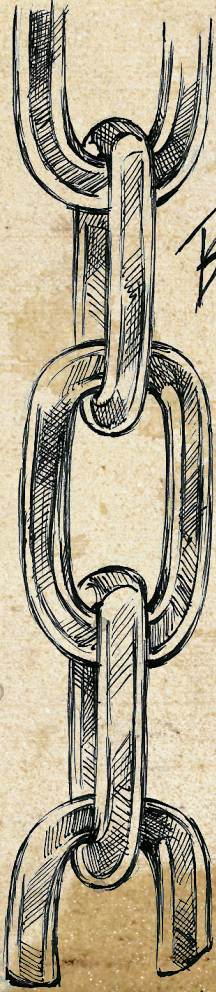

For many years Rayzon bid his time chained in torment as a prisoner of war – until his comrade and friend Mashl J. freed him and passed along the message of his holy quest.

Convinced by the words of the Wasteland-Messiah and filled with gratitude Rayzon joined Mashl J. as the first prophet of the **Wasteland Clan**.

Casting hypnotic melodies and virtuosic solos he gathers new members in faith, to follow the clan and spread its message.

To remember the agony caused and his own sin he is in constant penance, carrying the constant burden of heavy steel on his shoulders.

ZACH VOLCANIC

Thirsting for retribution Zach Volcanic roamed the lands. His family slaughtered and robbed of anything dear to him by government forces after he was exposed as a former member of C.R.O.W. he finally also found a new meaning and new strength in the faith of the Messiah.

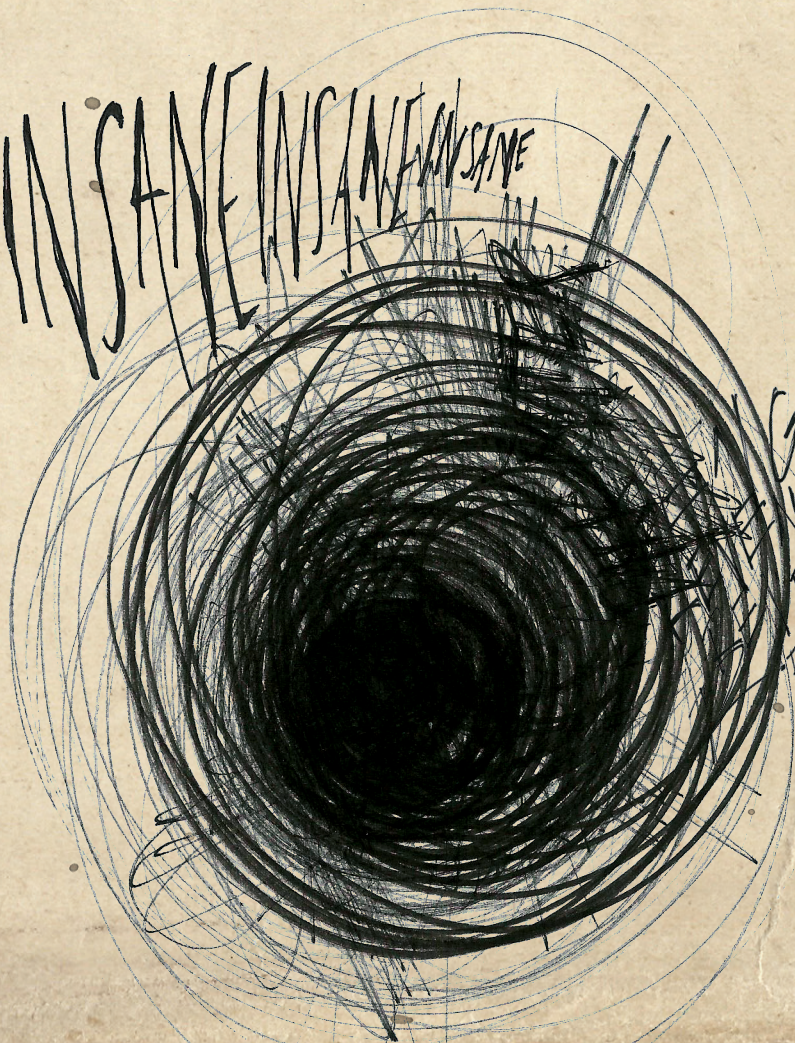

When he met the **Wasteland Clan** his disillusion was replaced by new courage and he joined as the clan's second prophet.

Henceforth he induced the rhythm of the prayer with his blustering bass.

To this day he carries the pistol which was used to murder his beloved, ready to use it to bring vengeance on its original owner.

SMOKY 616

When Smoky 616 decided to lay down his arms and deny the command of the fiendish command of the regime he had followed his fate seemed settled – he found himself part of the rebellion and was gravely injured by smoke-bombs.

Filled with anger at the system corrupted by hate he longed for a new order – and found it in the **Wasteland Clan**.

The third prophet carrying the true number of the beast gave measure to the sinister song of praise for the new Messiah.

Where ever he appears he is accompanied by the billowing smoke of the eternal fires of hell.
